30	2.03.13	Non academic Saturday-4	Karunya university and adopted villages	1300

1.CROWD CONTROL:

A Blessing Meeting was held on the 8th of July 2012. Dr Paul Dhinakaran Chancellor of Karunya University led the people into a session of praise and worship followed by message.

People from various places of Coimbatore attended and were blessed.

50 boys from Karunya NSS Unit took efforts to maintain the decorum of the meeting by helping with the seating arrangement. They also lend their hands to help the people get buses. The Blessing Meeting was successful by the Grace of God.

2.DENGUE AWARENESS RALLY:

On the 10th of July 2012, the TamilNadu Health Department conducted a rally in Coimbatore to spread awareness on Dengue fever which is known for its devastation of many lives.

This rally was lead by Karunya University NSS Unit under the theme “DENGUE WIPE OUT”.

A team of 50 Karunya NSS volunteers led by two of our NSS program officers Mr. Kantharaj and Mr. Lijin took part and earned a remarkable name for our discipline and commitment in the rally.

The organizers of the rally and the TamilNadu health department honoured Karunya NSS unit by giving us the privilege to lead the rally up in front, with almost 1000 students of various collages and schools following. The Health Minister of Tamilnadu was present at the rally. Many slogans were written by students with a desire to spread the awareness.

The rally successfully enlightened the people about preventive measures that are to be undertaken in order to prevent another episode of this epidemic from taking the lives of many. It inspired people to participate in the State's fight against Dengue

3.BLOOD DONATION CAMP:

Blood donation camp was held on Wednesday i.e., 11/07/2012 at Emmanuel auditorium. The Blood donation camp started at 10:00 am. The camp was started with an opening prayer. The team from K.G. Hospital were welcomed by NSS volunteers. Proper spacing was provided for the event to be held.

The volunteers of the blood donation camp participated with full energy and they made all the required arrangements for the students.

The students fill a form in order for obtaining certificates to confirm the blood groups.

For each table, a volunteer was allotted to help the students donating. Arrangements were made to provide refreshments for the students who donated blood.

Crowd control was efficiently handled by the NSS volunteers. The team from K.G collected and stored blood systematically.

The vice Chancellor and the HOD of DECE visited the blood camp and had a friendly talk With the students gathered.

The blood donation camp was a huge success and the total units of blood donated are 200.

4. OLD AGE HOME VISIT:

The Karunya NSS crew with 40 members and NSS program officer Miss Aishwarya went for an Old age home visit to Jacob's care Centre on 22.07.2012, Sunday. The journey started with an opening prayer. The team interacted with the residents of the home and shared their experiences.

Many entertaining programs were organized. They participated with interest and enjoyed the various activities. While the programs were being conducted, snacks were provided.

Games were conducted for the elders. They enthusiastically participated and had a wonderful time with us. They even shared many stories of their life.

Karunya NSS Unit provided grocery items such as rice, curry powders, grains, fruits & chairs for the benefit of the home.

By God's grace everything went on well and we bid farewell with full of satisfaction.

5. ORPHANAGE VISIT:

CROPS LOVE HOME- TOWN HALL

The Karunya NSS crew with 30 members and NSS Staff coordinator Mrs. Diana went for an orphanage visit to town hall CROPS LOVE HOME for kids on 22.07.2012, Sunday. The

founder Mr. Thomas welcomed the team and explained about the orphanage and the students. The day started with opening prayer, the team made the kids interact by singing some action songs.

Then an interaction session was organized with the kids where NSS volunteers tied ribbons in the hands of children, sat with them and discussed about the children studies and other facts.

The interaction session was followed by a story session, in which the students listened to the story and a moral was conveyed at the end.

The team conducted games, puzzles and had a very good time with kids. Kids enjoyed their time with the group. Volunteers motivated them and games were conducted through which team work was encouraged between the students.

The volunteers found that it was possible to create smile in others heart by spending time with them. There are hearts which need someone to talk with them. Then the volunteers enacted some moral stories to educate the children with moral values.

The group shared their love with them by giving chocolates, promise cards and enlightened them about the importance of cleanliness.

Prizes were distributed to the winners of puzzles and games. Our staff coordinator gave away the prizes to the winners.

The team wished them for their success in their studies and blessed them.

The NSS unit provided groceries, rice, soap, paste, oil, stationary items.

Many students visited orphanage for the first time and expressed their desire to help people who are in trouble.

6. ORIENTATION PROGRAM:

The NSS orientation function was held on 30th July, 2012 at Ebenezer Auditorium at 4.00 pm. Invoking God's blessings Mr. Stalin Jacob, NSS student coordinator lead the gathering in prayer, which was followed by a welcome address by Mrs. ANU JACOB Program Officer.

The history of NSS was brought forth by Mr. Jims John Wessely.

Mrs Maya Mahajan, HOD DECE addressed the gathering. Chief guest Dr. S.DARIUS GNANARAJ, DEAN(AA) released the action plan for the NSS activities for the year 2012-2013 and encouraged the students to participate in all activities that were going to be held in the academic year.

After an hour of interesting session Dr. Gunasekaran, NSS program officer rendered the vote of thanks. Around 1000 students of NSS UNIT attended the orientation program .The NSS co-coordinator Mr. R. Mahesh Prabhu made all the arrangements for the orientation along with the other program co-coordinator's of NSS. The NSS plan was briefly explained to the students. The function was concluded by a closing prayer by Jasper of 3rd ECE.

7.SLOGAN AND DRAWING:

The National Service Scheme (NSS) unit organised a Painting & Slogan Writing Competition on 10th August, 2012 in Karunya University, Coimbatore.

The theme of the competition conducted was **Our Earth, our Duty**. The students of Karunya participated enthusiastically. It was an effort put forward by the NSS unit to bring out the talents in students.

The competition was held successfully. The competition was held with a view to create awareness about the place in which we live.

8.TRASCEDENCE:

Transcendence 2012 was conducted on the 11th of August 2012.

Karunya University NSS UNIT hosted a district level talent quest “TRANSCENDENCE” for rural school students around the vicinity of the University and even several schools from Coimbatore took part in this Annual Event.

The list of Schools that participated were Government Higher Secondary School - Matavarayapuram, R.K.V. CBSE Higher Secondary School – Kuniyamuthur, Evangeline Memorial Matriculation & Higher Secondary School – Karunya Nagar, Pandyan Matriculation School, YWCA Matriculation & Higher Secondary School, LISIEUX Matriculation & Higher Secondary School, PERKS Matriculation & Higher Secondary School, Chinmaya International Residential School, and Carmel Garden School. There were more than 100 students who participated in the events.

The event began at 9:00 a.m. with registrations and ended in the evening by 4:30 p.m. .We had the Inaugural Ceremony at 10:00 a.m. Dr. Tensing, Director of Civil Engineering and Campus Life of Karunya University was the Chief Guest of the event. He encouraged the students with his words of wisdom in his Presidential Address, saying ‘keep going, keep doing, and keep winning’.

Chief Guest, Dr. Tenzing, addressing the gathering.

The teachers and school students who had arrived for the competition were served refreshments. With the help of the Karunya NSS volunteers the students were taken to the locations where the competitions were held. Essay Writing in English and Tamil, Elocution English and Tamil, Debate, and Pencil Sketching were held simultaneously.

Debate.

At 12:00 noon all the students and staff were gathered to witness the Skit competition which went on till 1:30 p.m., after which the students and staffs were taken to Karunya Hostel and served a hot lunch arranged by the NSS Unit.

Skit enacted by the participants.

The participants assembled for Closing Ceremony and Prize Distribution. The Karunya NSS Members performed a skit and Dance to entertain our guests and participants. Dr. Paul .P. Appaswamy, Vice Chancellor and his wife Mrs. Gita Paul Appaswamy gave the Chief Guest Address and distributed the Prize and Certificates .

R.K.V. CBSE School posing with their 'rolling trophy.'

The rolling trophy was bagged by RKV CBSE School. Snacks and refreshment was served by the Karunya NSS Unit.

Snacks arranged by Karunya NSS Unit.

Then NSS Volunteers took the Students a tour around the University. The students got the feel of the University Life. Many students loved the green atmosphere and fresh air. The participants and students were enriched with this exposure and experience. They were happy to show off their talents, one student in his feedback said that he would look forward for opportunities to participate again in Transcendence.

9.INDEPENDENCE DAY SWEET DISTRIBUTION:

On 15/08/2012, the Independence Day, celebration held in front of administrative block. The students of Karunya University NSS Unit, along with the program officer Mr.Jeyaseelan distributed sweets to the following schools Saadivayal tribal school, Primary school Mathavarayapuram , higher sec. school Mathavarayapuram ,primary school Alandurai,

primary school Perumalkovilpathy , Primary & Middle School irutupallam, higher sec. school Alandurai .

Around 10,000 sweets were distributed to the above schools.

The celebration ended with happy smiles all around.

10.INDEPENDENCE DAY LITTLE HEARTS:

On 15th August, 2012 the NSS unit of Karunya University arranged a visit to Little Hearts Vocational Training Centre for Mentally Challenged .The Independence Day was celebrated by the Karunya NSS team along with the people of Little Hearts.

The Little hearts is a vocational training centre for mentally challenged people. The NSS team along with the staff coordinator Ms.Shilu, headed by Mr. MaheshPrabhu the NSS coordinator reached there at 10.00 am.

Little hearts orphanage accorded a warm welcome to the NSS Volunteers of Karunya. The NSS team distributed Indian National Flag as a part of Independence Day activity. The team interacted with the people.

The Registrar, Karunya University Dr. C. Joseph Kennedy was invited as the chief guest. The mentally challenged people were taught craft works like candle making, flower designing, pen stands & mobile phone stand making. The products made by them were exhibited and the Chief Guest appreciated their work. Indian National flag was hoisted by Registrar which was followed by taking the Pledge. National Anthem was then sung by the entire group with a proud feeling of belonging to such a great nation of ours.

Karunya NSS unit donated dress material for the mentally challenged women which was distributed by our Registrar. Action songs were taught by the Karunya team. They did the actions actively and enjoyed it. We departed from there with a sense of satisfaction.

12. SADBHAVNA DAY PLEDGE:

Rajiv Gandhi's birth anniversary is celebrated as Sadbhavna Diwas (harmony day) and Akshay Urja Diwas (energy day) in the country.

“Sadbhavna day pledge” was held on 17.08.2012 Saturday evening at Karunya University as a part of Rajiv Gandhi’s birth anniversary

The NSS members, staff coordinators and volunteers stayed back after the class hours for the occasion and participated in taking the pledge.

The motive of this program was to take a pledge to work for emotional oneness of all the people.

NSS volunteers took pledge saying that we would work for the emotional oneness and harmony of all the people of India regardless of caste, region and language and would resolve all differences through dialogue and constitutional means without resorting to violence.

This made volunteers to look forward to work for the society

13.FREE EYE CAMP:

The National Service Scheme (NSS) Unit of Karunya University, Coimbatore conducted a free eye camp at Alandurai on 4.9.2012

Doctors from MV eye hospital were at the ready to treat the patients. 75 odd patients were benefitted, 6 patients availed free eye operation. Patients who were in need of spectacles were provided with free spectacles. NSS Program Coordinator Mr Mahesh Prabhu, interacted with the President Of Alandurai Panchayat and offered to help the community. 50 Volunteers and 3 program officers helped organising the event.

14.LITERACY AWARENESS RALLY:

The National Service Scheme (NSS) Unit of Karunya University, Coimbatore took an initiative to broaden awareness about Child Labour. Child Labour is a stigma on India and it is important to act against it.

The action was demonstrated in the form of a rally by the volunteers. The rally was held from Mathavarayapuram to Alandurai.

Notices were pasted on lamp posts, in order to educate people to eradicate Child Labour.

The students and teachers participated enthusiastically with a hope that things would change.

15.SOLID WASTE MANAGEMENT:

The DECE (Distance Education and Continue Education) conducted a program on solid waste management to NSS Student Volunteers. The Program helped the students to manage waste products.

The Students actively participated in the program. They learnt how to reuse and recycle the waste products. The seminar made the students understand how to separate the biodegradable and non-degradable waste.

The students learnt to make paper out of waste. Many students tried and made the paper of their own.

16.SYMPIOSIUM ON GREEN REVOLUTION:

On 17th of September, 10 NSS – Student coordinators accompanied by Mr. Mahesh Prabhu (Program coordinator-NSS) attended a symposium “GREEN REVOLUTION-ITS AFTERMATH” at Nirmala college for women-Coimbatore organized by the department of Geography.

Eminent speakers detailed the pathetic condition of Punjab, on account of the pesticides used for the cultivation. A question and answer session was organized in which our students actively participated. The symposium was highly beneficial as the basic concepts of BT-Brinjal and other genetically modified substances and their ill effects were detailed.

17.FREE HEALTH CAMP:

NSS UNIT of Karunya University conducted a special Medical Camp at KALIMANGALAM, one of the adopted village of Karunya NSS unit, on 22-09-2012.

On the previous day of the camp some of NSS volunteers met the people of the village to inform the same.

On the day of the event the NSS team reached the village by 4 P.M. with 50 volunteers and a team from Seesha comprising of 3 nurse and 2 doctors. It was glad to get good response from the people of that locality. Over 92 people of different age groups were benefited by the camp. People were given free treatment and medicine. The camp ended at 7 pm with the satisfaction of rendering NSS helping hands to the needy.

18. ORIENTATION FOR FIRST YEAR:

Orientation program was conducted for the first year students on 27/09/12.

Program schedule

- ❖ Opening prayer: Stalin Jacob, NSS student volunteer
- ❖ NSS Song: NSS student volunteers
- ❖ Video show on NSS Karunya Activities
- ❖ Welcome Address: Dr. Maya Mahajan, HOD DECE
- ❖ Introduction to NSS: Mr. Jims John Wesley, Advisor NSS
- ❖ Chief Guest address on "Help the Helpless":

Dr. S. Vasantha Kumar, Director S&H

- ❖ Vote of Thanks: R. Maheshprabhu, Coordinator NSS
- ❖ Closing Prayer: Persiya, NSS student volunteer

19. TREE PLANTATION:

The National Service Scheme unit of Karunya University, Coimbatore held a campaign on tree plantation on 10.10.12

M/s Maya Mahajan, the Head of the Department of Extension and Continuing Education and Dr. Sekar, Head of Mechanical Department presided over the initiative.

The first year volunteers participated actively in the tree plantation event. The objective set up was 'Go Green'.

The movement was successfully initiated.

20.AIDS HOME VISIT:

“We cannot do great things on this earth, only small things with great love.”

On 2nd December 2012 NSS UNIT OF KARUNYA UNIVERSITY went for an AIDS HOME VISIT. 20 boys and 30 girls accompanied with a staff coordinator. The NSS team reached there by 2pm, and were welcomed by the head of that home, volunteers met the children and adults residing at the home. Students interacted with the children and started the session with an opening prayer and taught them action songs. The children actively participated. Skit and dance were performed by the volunteers.

With a happy heart, they played and forgot all their sorrows. As it was Christmas season Santa distributed promise cards to all the children and adults. The children shared their Christmas wishes. And the session ended with a closing prayer.

The team left the home with a warm heart, hoping that the children and adults felt the same as well.

21.SEMINAR ON HEALTH ISSUES:

It was really an amazing day for all the members of National Service Scheme (NSS), Rotract Club, Y's Youth Club and Community Health Services (CHS).The program was started with an opening prayer invoking the Lord's presence. Then the guests were introduced by Mrs. Maya, HOD of DECE. A team from SEESHA spend their precious time and educated about the health issues.

The volunteers were divided into 5 groups based on the club, one SEESHA staff accompanying each group. Each group was given one of the following topics: What does the bible say about health care? What are the Indian medicines, Benefits of Health care and what do you know about SEESHA. All the groups were given half an hour to discuss on these topics. And finally one member from each group was asked to give a short speech on what they have discussed on their topic followed by the description given by our chief guest Dr. Gnana Raj .

The seminar provided an insight on health care. It helped to gain basic knowledge about the activities that a person should do in order to maintain a healthy body. As college students usually don't give importance to health care, this seminar enlightened many. This seminar not only made the volunteers understand about health care, but through the group discussion the students were given a great opportunity to interact with others.

The program ended with vote of thanks and a closing prayer. It was really a great time for all of the students.

22.AWARENESS PROGRAM IN VILLAGE:
VISIT TO PERUMALKOVILPATHY:

The NSS team consisting of 30 girls and 30 boys went to one of the adopted village Perumalkovilpathy on 8th December.

It was to interpret their economical background, life style and to help them in the areas where they required a support and need. They were moved with compassion and love.

A surveillance of the village was taken. The team interacted with the people and came to know about their needs and requirements.

Various games were conducted for the kids to make them aware of the social evils. A skit was performed by our students to create awareness on alcohol addiction.

A smooth and happy social service was done which ended with a good relationship of peace and harmony.

At the end of the day, looking back the volunteers realised the quality of gratefulness and living a happy life despite the odds.

23.AWARENESS PROGRAM IN VILLAGE:
VISIT TO KALIMANGALAM

On 8th November 2012, the NSS unit consisting of 20 girls and 30 boys were taken to Kalimangalam village on a field trip. An awareness program on alcoholism was conducted so that the village could be benefited, which included a rally and a street skit.

A skit performed by the students of the NSS unit

A rally on Alcohol Eradication

The NSS team went around the village to take a survey on the availability of water and other health related issues.

Volunteer students spoke to the people about staying healthy by not indulging in drinking and briefed about its consequences. They also explained the ways by which they can help others to come out of it.

The volunteers had a wonderful time there and were glad that they could do something to help mankind.

24.Solid Waste Management AWARENESS:

NSS conducted a program on solid waste management in hostel premises. The Program theme was conducted to create awareness among the hostel students about SWM.

A video film on SWM was shown during dinner time; inmates of hostel were informed about the seriousness of wasting food and water.

25.DENTAL CAMP:

The NSS unit of Karunya organized a dental camp at Perumalkovilpathy, one of its adopted villages, on 17.12.2012. The team arrived at the venue around 3 pm. NSS crew consisted a group of 50 volunteers accompanied by 2 staff coordinators.

A dentist and her team from Seesha community hospital-Karunya Nagar rendered their service to more than 75 people. Patients were treated according to their ailments and were given medicine, toothbrush and toothpaste. There was a good response from the community comprising people of various ages. The entire team had satisfaction on extending their help to the needy.

Indian student parliament – Pune:

The following list of students were deputed to participate in the Indian Student Parliament held at Pune.

- Vinodan josph- II Mech
- Vincent - II Mech
- Robinson - III Mech
- Royal Prince - III Mech
- Prasanna - II CSE
- Praneesh – II CSE

19th jan non academic Saturday :-

1. CLASS EVENTS FOR FIRST YEARS

On 19th January 2013, the second NON ACADEMIC SATURDAY Karunya NSS unit involved the first year student volunteers in various classroom events and village visit. Around 1500 students participated in the event. Activities were chart making, skits to create social awareness, poster making and guest lectures. Competitions like collage making and games involving group activities and also bringing out the individual talents of the students like dumb charades, mono acting, skit, dances and other cultural were conducted.

All the events were conducted based on any one of the following theme

Corruption free India	Preventing Women Abuse
Employment issues in India	National integration
Population control	Role of youth in eradication of social evils
Food Security and eradication of poverty	Climate change (combating Global warming)
Events related to social and civic responsibility	

A seminar on solid waste management was conducted in the S&H seminar hall for all the students. All the events were based solely on the societal needs and problems like food security and eradication of poverty, role of youth in the eradication of social evils, climatic change (combating global warming). The events were monitored by the staff coordinators and the event was concluded with a closing ceremony where the prize winners were awarded with prizes and certificates by Mrs. Maya Mahajan, The Head of the DECE and Mr. Mahesh Prabhu, Coordinator, NSS.

2. Village visit

120 student volunteers from first year, NSS student coordinators with 7 members and NSS program coordinators Mrs. Vani, Mrs. Kavitha and Mr. Annamalai undertook a village visit to Nathaecoundanpudhur. The journey started with an opening prayer. Volunteers interacted with village people. After lunch, school ground cleaning was carried out. Then a rally was conducted to create awareness on alcohol and drug. Skits were done to create awareness on benefits in avoiding alcohol and drug. Competitions were conducted for villagers and prizes were distributed.

3. COMPUTER AWARENESS PROGRAM

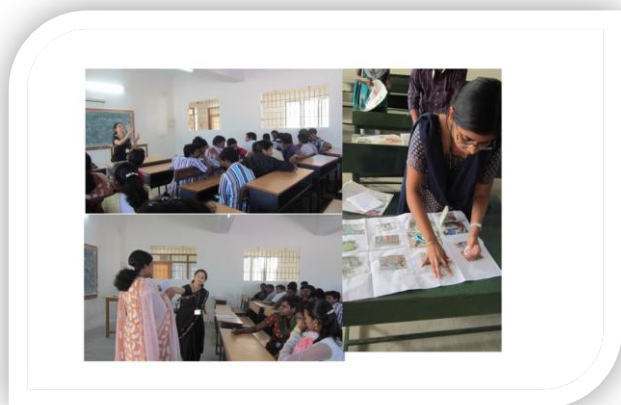

The NSS unit of Karunya University conducted a computer literacy program for school students from Coimbatore in the university premises in association with CISCO.

40 students from adopted schools took part in the event. The NSS volunteers along with staff of CSE Department taught the school students the basics of computer. A valid certificate was issued to the participants.

4. SENIOR VOLUNTEERS

On the same day various events were conducted for senior NSS volunteers. Poster making, debate, individual talent hunt were conducted. NSS volunteers projected their views on Corruption free India, Preventing Women Abuse, Employment issues in India and Role of youth in eradication of social evils.

A common valedictory function for all the first year and senior members was conducted and the prize winners name was announced. A special address on NSS concepts were given to the student volunteers by Dr.Maya Mahajan HOD – DECE.

NSS SPECIAL CAMP 2012-13

DATE: 22.01.2013 to 28.01.2013

LIST OF ADOPTED VILLAGES:

- MATHAVARAYAPURAM
- ALANDHURAI
- SEMMEDU
- SINGAPATHY
- SADIVAYAL
- NALLURPATHY
- KARUNYA NAGAR
- IRRUTTUPALAM
- MUTTATHUVAYAL
- PERUMAL KOVILPATHY
- KALIMANGALAM
- VALAYANKUTTAI

CAMPSITE: MATHAVARAYAPURAM

22/01/13

DAY 1

FORENOON:

The first day of the NSS camp started around 8:30 am with a word of prayer. The team arrived at the camp site at 9:15 am. The team then immediately set about conducting a survey on the people residing in Mathvarayaapuram on various aspects.

AFTERNOON:

The teams noticed that a rain water conservation plant existing in the society was not in a good shape so a part of the team started working on it.

23/1/2013

DAY 2:

FORENOON:

The second day of camp started with the division of teams into various groups. Part of the team engaged themselves in painting the primary wing of the school. Another group the cleaning the bus stop. The head mistress requested to clean the area around the library of the school, a group of fifteen worked hard removing the thorny plants and boulders.

AFTERNOON:

The team found that the students lacked computer knowledge so the team arranged a group of ten volunteers to conduct a literacy camp in the surrounding which included practical sessions which ended in a grand success.

The school ground had dry leaves and other wastes apart from plastics that the volunteers dumped at the corners were cleaned by active and dedicated NSS volunteers'. Thus the day ended with a clean campus.

24-1-13

Day 3

FORENOON:

The team decided to entertain the school students, so a part of them started to dance in a to attract attention which later on the students too joined in for a dazzling performance

The team also had some field work which included levelling the pavement of the library the tending to the play ground.

AFTERNOON:

The team also acted a skit to cultivate moral values in students. And also the team conducted dance competitions for the students. The skit helped the students imbibe moral And ethical values for the good of the community at large.

25/01/13

DAY 4

FORENOON:

The fourth day of the camp started with the grouping of students into many sub-division based on their work. The team helped out with the painting of their newly constructed toilet, a group of volunteers then immediately dispatched to help other teams in carrying out different jobs.

AFTERNOON:

The headmistress of the primary wing placed an errand, which was to decorate the school for the republic day for which a group of brisk volunteered and the teams were deployed to carry out the work, upon completion it ended as a feast to the eyes of the villagers, and so the day ended with a lot of fun combined with activities.

26-01-13

Day 5

FORENOON:The Republic day functions were conducted with a combined feeling of patriotism and the team decided to give the school children sweets and flags to pin on their shirts

As the painting and field work was over our team decided to conduct various events for the students and also other camps to help the village people.

AFTERNOON:

The first event planned for the day was the distribution of fliers for the eye camp on Monday. Other teams were deployed to clean the village and ensure a clean environment, through eradication of plastic waste and other bio degradable substances.

27/01/13

DAY 6

FORENOON:

The team started the last day of our camp with a plastic awareness rally for which a group of students were sent into the village. Our students started interacting with the people to educate them about the ills of using plastic.

AFTERNOON:

The team started conducting various activities such as mingling themselves with the children to teach them and educate them through games.

28/01/13

DAY 7

FORENOON:

An eye camp was conducted in the Mathuvarayapuram High school on (28/01/13) from morning 9:00 am to afternoon 1:30 am for which a large number of people of different age groups attended and were benefitted.

AFTERNOON:

Sports competitions were conducted for the primary school children separately for boys and girls for whom prizes were awarded.

Finally special camp in Mathvarayapuram ended and the team returned back with a content heart.

CAMP SITE: ALANDURAI

22/01/13

DAY 1

FORENOON:

The NSS special camp started with a word of prayer in mind and enthusiasm in heart, the teams split up and surveyed all the villagers. Then the team came up with an agenda on what had to be done.

AFTERNOON:

Some places in the village were desecrated by plastics and other wastes, so a group of volunteers involved themselves and made sure that all the unwanted things were removed. After hours of tiring work, the team gathered together and made plans on what to do the following day.

23/01/13

DAY 2

FORENOON:

The second day started with a motto on “cleanliness”. A vigorous campaign was conducted to shed the light on cleanliness and the team implemented it by cleaning the locality.

AFTERNOON:

The team noticed that the local schools’ walls had lost their colour and looked lifeless because of incessant rain and the scorching sun. It was unanimously decided to renovate School campus. Through hard labour the volunteers were able to accomplish the work.

24/01/13

DAY 3

FORENOON:

The day started with the determination of completing the pending work such as painting the tank, conducting literacy camp.

AFTERNOON:

The lives of the village children taught us to realize the value of education; the teams happily taught the entire primary wing the basics of computer. Through computer literacy the volunteers were able to reach out to the school students.

25/01/13:

DAY 4

FORENOON:

As the cleaning of the field and ground was over the teams turned their attention towards renovation and cleaning the entire campus.

AFTERNOON:

In response to the schools request, the team engaged itself in decorating the school completely and making it ready for the republic day. Other teams were deployed to carry out various other activities.

26/01/13

DAY 5

FORENOON:

The republic day celebrations started with flag hoisting and a function involving local delegations and cultural events by students conducted by the volunteers from our team.

AFTERNOON:

As the painting and the cleaning job was not completely over, the team had to continue its work. They worked effortlessly and painted almost half the campus within a short span of time.

27/01/13

DAY 6

FORENOON:

The special camp started with a dengue awareness rally, for which the students shouted slogans and sang songs in Tamil to illustrate the harmful effects of dengue and methods for preventing it.

AFTERNOON:

It was noticed that the local bus stop was in a dilapidated condition so a group of energetic volunteers were dispatched who responded to the situation very well and necessary steps were taken.

28/01/13

DAY 7

FORENOON:

On the last day of the special camp in response to the request from the Panchayat, we decided to clean the local “shelter for the society”. The entire building was cleaned and moped by our students.

AFTERNOON:

A guest speaker from the famous NGO Organisation “OSAI” delivered a speech on the ill effects of deforestation, following which a closing ceremony was held to bring an end to the special camp.

CAMPSITE: SEMMEDU

22/01/13

DAY 1

FORENOON:

The camp kicked off from Karunya campus around 9a.m. to meet up with the challenges that would be waiting at Semmedu village. Upon reaching the village, teams were divided and the plan was discussed. A strategy was set up to tackle the issues of the village.

AFTERNOON:

The teams started interacting with the villagers. A survey was conducted to ascertain their financial status, education, number of family members and if they had any health problem. Their issues and problems were noted.

At the end of the survey it was found that most of their lives were dependent on agriculture and their living was difficult. They were mostly uneducated and didn't have proper drinking water facility.

23/01/13

DAY 2

FORENOON:

The team gathered along with the school students and started the day with a prayer. According to the plan made the previous day, the team decided to remove all the unwanted plants, grass and shrubs in the school campus. There were a lot of thorns and shrubs that were ruining the school campus. These shrubs and plants were removed.

AFTERNOON:

The main work of the afternoon session was to scrap out the worn out paint from the four buildings of the elementary school, as the paint that was already present had worn off due to the climatic changes and was falling off. Thus making the floor dirty, the work was suspended at the end of day.

24/01/13

DAY 3

FORENOON:

The team started to finish the scraping work, it was noted that large amounts of construction waste were heaped up behind the school which was the home for many reptiles like lizards and snakes, a big threat to the students. Cleaning work was pepped up in these areas

AFTERNOON:

Once the scraping job was completed for all four buildings the team started white washing the entire area. In spite of the tedious work, the volunteers worked hand in hand to complete the painting work. Cleaning was done by the other volunteers.

25-01-13

DAY 4

FORENOON:

Due to continuous use without proper maintenance, the inner part of the tank had slime formation and therefore the drinking water had an awful taste.

The inner part was first cleansed; this was done by half of the crew while others continued with digging up the waste.

AFTERNOON:

The work clearing the accumulated waste heap was a tedious task; it required effort from the whole team.

With tremendous effort, the waste was cleared.

26-01-13

DAY 5

FORENOON:

Republic day celebration began with flag hoisting and competitions were held for the school students and the villagers. Sweets were distributed by the student volunteers. Cultural activities as well as several competitions were conducted for the school children and prizes were distributed.

AFTERNOON:

During the afternoon session, the remaining white washing of the building was in undertaken in full swing. Cleaning and removal of waste from the surrounding areas was accomplished by the volunteers

After which a rally on dengue awareness was conducted throughout the village.

27-1-13

DAY 6

FORENOON:

It was noted that the entrance of the school had numerous pits due to rain and the rain water used to stagnate in it. Because of that there were flies and mosquitoes, it served as breeding ground for mosquitoes during rainy season which brought deadly disease like dengue, to avoid this, the pits were covered up and the entrance was flattened to make the road approachable.

AFTERNOON:

Computer literacy program was conducted for the school children during the **afternoon** session, and a seminar on conservation of energy was conducted by Mr Anamalai, Professor Biotechnology, which was held at the Computer Centre. The basics of Computer were taught to the students who actively participated.

28-1-13

Day 7

FORENOON:

As the last day dawned, pending painting works were completed, which included painting the doors and cleaning the blackboard as well as the school gate. Apart from cleaning and painting a number of volunteers conducted a rally based on Plastic Eradication. The harmful effects of burning plastics and plastic usage were addressed in the rally.

AFTERNOON:

After a sumptuous meal, the ground was tilled for tree plantation, and saplings were planted. The old trees came alive as the volunteers painted the tree barks. Closing ceremony was conducted in presence of the village head, Headmaster of the school, and a PTA member.

CAMP SITE: SINGAPATHY

22/01/2013

DAY 1

Forenoon:

The NSS Camp started with a prayer and the members interacted with all the people to get to know about them more and their difficulties by taking a survey all around the village to know their common basic needs.

Afternoon:

Mapping of the village was done and interaction between the villagers was carried out to conduct environmental awareness program.

23/01/2013

DAY 2

Forenoon:

The cleaning was done and collection of all plastic waste accumulated in the village was carried out. Work was initiated to clear the path which was hidden by the unwanted plants grown.

Afternoon:

Mushroom cultivation was taught to the village people, in order to help them earn an income. Apart from this cleaning and other jobs at hand were carried out.

24/01/2013
Forenoon:

DAY 3

The NSS Camp started with cleaning of the water supply area which was fully messed up with unwanted weeds and plastic waste. Effort was made to remove the plastic waste from the village.

Afternoon:

Determined young volunteers started the field work of levelling the ground, which provided a site for meetings and other activities to be held.

25/01/2013

DAY 4

Forenoon:

A seminar was organised to teach them how to make candles that would in turn help them to make money, village people participated enthusiastically.

Afternoon:

Games and recreational activities were conducted for the village kids. They joyfully participated in all the games with immense energy. It brought a smile to the faces of many. The activities brightened the spirit of the village.

26/01/2013

DAY 5

Forenoon:

The NSS team conducted various competitions including kolam competition in the village. The competitions were numerous and the participants gave in their effort to bag the prize.

Afternoon:

The afternoon session was lively as the volunteers taught the village people to sign for official documents and also enacted a skit on women's abuse.

27/01/2013

DAY 6

Forenoon:

The basic introduction about computer was given to the students of the school. Computer literacy camp was held and carried out which brought the students flocking to the nearest laptop available to try their hands in either painting or using MS Word. The students were very eager and happy to learn about the parts of the computer.

Afternoon:

The common village water supply pipe to a tank that can store water in it was sponsored and the surrounding which was in a dilapidated condition was brought to life.

28/01/2013

DAY 7

Forenoon:

A Rally was conducted around the village to sensitise the people on tobacco awareness. This rally addressed the situation of the village at large.

Afternoon:

Closing ceremony was conducted and also distribution of gifts to the children and village people. Basic needs to the play school in the village like plates, tumbler, mats, were provided.

CAMP SITE: SADIVAYAL

22/01/13

Day 1

Forenoon:

NSS camp started with a word of prayer and interaction with the village people and a survey was done to know about their common needs. After which the main street area was made clean.

Afternoon:

The mapping was done according to the survey and the people in village were invited to witness the environment awareness program.

23/01/2013
Forenoon:

DAY 2

The teams started with the cleaning process in the village. All the plastic wastes were removed from the surroundings; the volunteers mingled with the society to become a part of the community and helped clean the environment.

Afternoon:

A rally about tobacco awareness was conducted in the village and also pasted posters all around the village to create awareness on the dangers of tobacco. A Skit portraying tobacco and its ill effects was organized; the skit received a huge response from the local crowd.

24/01/2013

DAY 3

Forenoon:

The NSS team interacted with the school students and taught them about basic knowledge of computer. Awareness program about cleanliness and pollution was given to the students.

Afternoon:

The team of volunteers cleaned the school ground by plucking all the unwanted plants. Clearing the weeds that lay waste was part of the activities for the evening session. Once the weeds and other unwanted plants were uprooted, the ground looked fresh.

25/01/2013

DAY 4

Forenoon:

The team helped the village people in their construction. A rally on alcohol awareness was conducted. A skit based on the same theme was clearly depicted.

Afternoon:

After construction the team switched to painting the school walls and the trees in the village. The village looked and felt new once the white wash was completed, the school also got its much needed facelift.

26/01/2013

DAY 5

Forenoon:

Morning session started with games conducted for the children in school and village, they enthusiastically participated in the events and bagged many prizes. Kolam competition was once again a hit. The village got its old splash of colours.

Afternoon:

Gifts were distributed for the winners in the various games, followed by providing certain basic requirements that was required for the school and the village.

26/01/2013

DAY 6

Forenoon:

The day started with teaching craft work to the school children, Awareness about the importance of studies and their career were stressed upon. The team interacted with the children and made them understand the value of education.

Afternoon:

The team invited the village people and taught them about mushroom cultivation. This would help them to earn an extra penny. Mushrooms cultivation could be done at their houses even without setting up huge structures; it taught them a simple way to Use their past time.

28.01.2012

DAY 7

Forenoon:

The volunteers cleaned the main area of the village by uprooting all the unwanted plants and removing all the plastic waste.

Afternoon:

The people of the village were invited for the closing ceremony. Distribution of gifts for those who participated in the games conducted for the entire week. The closing ceremony was combined with a skit about human rights.

CAMPSITE: NALLURPATHY

22/01/13

DAY 1

FORENOON:

The special camp started with a survey in Nalloorpathy by dividing into groups. In the survey, the main objective was to interact with the people of the village and get to know their economic and educational status.

AFTERNOON:

The next task was to clear a small area while doing so the team also gathered all the bricks. Then we interacted with the kids, and finished our first day camp.

23/01/13

DAY 2

FORENOON:

The first activity was to do mapping for the village. A group of volunteers went into the village analyzed the routes and did the mapping which could be useful for construction of roads.

AFTERNOON:

The scrubbing was done on the walls and white washing the school building was started. Finally we spent some time interacting with the kids and shared with them some good values and helped them understand the importance of discipline, good moral values.

24/01/13

DAY 3

FORENOON:

The third day of work started with making arrangements for planting samplings in a decorative fashion, the entire area was neatly arranged using bricks.

AFTERNOON:

The arrangements for plantation continued, until the end of the day. Preparations were made to perform a rally in the village regarding dengue and ban of plastics. The rally had a good response and the villagers were made to understand the after effects of burning plastics.

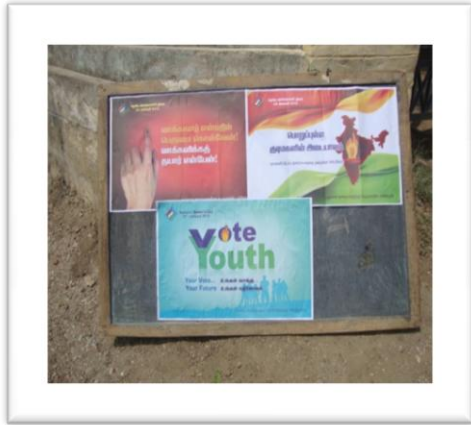

25/01/13

DAY 4

FORENOON:

An awareness programme was conducted in the village with regard to voter's day to make the people understand that voting is the responsibility of every citizen.

AFTERNOON:

The school was made clean for Republic Day celebration. The volunteers interacted with the kids and prepared skit, speech, dance and had a wonderful time with them. Meanwhile arrangements were made for planting saplings.

26/01/13

DAY 5

FORENOON:

The team performed Republic Day celebrations in the school. Initially flag hoisting was done by the special guest to school.

AFTERNOON:

28.01.13

DAY 7

FORENOON:

We started the camp by cleaning the ground and cleaning the place to plant samplings and we planted the samplings around the school.

AFTERNOON:

The special camp was ended with a closing ceremony that included various cultural programs.

**CAMPSITE: KARUNYA NAGAR
DAY 1**

22/01/13

Forenoon:

The camp began on 22nd January, 2013 in Karunya Nagar. It started with an inaugural function. The Headmistress, staffs, students and the people of the village were a part of it. The Head Mistress gave introduction about their school and their educational status. The camp commenced with a survey with the guidance of the coordinator.

The NSS volunteers interacted with the people of the village and got to know about their educational and economic status.

Afternoon:

A small area was cleared which could be used to craft a park. During the clearing they also collected some unused bricks which could be of future use.

Then the volunteers removed the weeds, garbage and cleaned the school. The first day of the camp ended productively.

23/01/13

Day 2

Forenoon:

The second day of the camp started in on with analysing the routes in Karunya Nagar village with which mapping could be done. This would aid in the construction of roads.

The walls of the school were treated for whitewashing. Stones in and around the vicinity of the school were picked simultaneously.

Afternoon:

Once the walls were treated, volunteers started whitewashing the walls. Another group started cleaning the surroundings. Thus, the second day ended on a pleasant note.

24/01/13

DAY 3

Forenoon:

On the third day, NSS volunteers continued whitewashing the walls.

Preparations were made to plant the sapling.

Afternoon:

Preparations were made to perform a rally in the village regarding dengue and ban of plastics.

The third day ended effectively by making an effort to make the surrounding green.

25/01/13

Day 4

Forenoon:

On the fourth day of the camp, the NSS volunteers levelled the ground and arranged the bricks orderly for planting the sapling.

They also created an awareness programme in the village with regard to the voter's day to make the people understand that voting is the responsibility of every citizen.

Afternoon:

They cleaned the school for Republic Day celebrations. The volunteers also primed the kids for speech, skit and dance. The fourth day thereby got over by making things set for the Republic Day celebrations.

6/10/13

DAY 5

FORENOON:

On the Fifth day of camp, NSS volunteers conducted the Republic Day celebrations in the school. Initially flag hoisting was done by special guest to the school.

A speech was given by the special guest, Head Mistress of the school and other guests.

AFTERNOON:

Various competitions were conducted for the school children and certificates were distributed for the children.

Our Republic Day celebration with the village people ended with a thanks giving by the school Head Mistress and by NSS students.

27/01/13

Day 6

Forenoon:

The sixth day of the camp started with various activities conducted for the school students to educate them on the social evils and to help them understand the oneness of living as a community.

The Chief Guest, Head Mistress and few other guests shared their valuable thoughts with the students. Cultural activities such as dance, speech were done by NSS students as well as the school kids.

Afternoon:

Various competitions were held for the students. Certificates were also awarded.

A group of determined volunteers set about cleaning the campus and disposing the plastic waste from the surrounding.

27/01/13

DAY 7

Forenoon:

On the seventh day, the volunteers tilled the ground and prepared the soil for plantation. Saplings were planted by them.

Afternoon:

Being the last day of the camp, the closing ceremony was held. The village people acknowledged the NSS volunteers for the good job they carried out for the seven days.

CAMPSITE: IRUTTUPALAM

22/01/13

DAY 1

FORENOON:

The special camp at Iruttupalam was flagged off with an inaugural function presided by the village Panchayat head. After which teams embarked on an exploration of the village to survey, study the demographics of that place and ascertain the needs of the people.

AFTERNOON:

A strategy was set up to tackle the issues. Since this required proper planning and execution a map was sketched depicting the village, sketching was done based on the survey carried

out by the respective teams.
23/01/13

DAY 2

FORENOON:

A cleaning drive was initiated to sanitise the surrounding and removal of plastics from harming the lovely greenery around. Villagers were advised not to burn plastics. The teams were on their toes creating an awareness of the dangers of plastic and importance of a clean neighbourhood.

AFTERNOON:

The morning session proved fruitful, it was decided to make haste of the situation and a rally was organised to spread the word around on empowering women. The rally was flagged off by HOD DECE Mrs Maya Mahajan. By enthusiastically shouting slogans they captured the hearts of the people and were able to send a strong message through the rally. A street play based on the topic was organised which enlightened many minds.

24/01/13

DAY 3

FORENOON:

As planned, the first session involved igniting the young minds through computer literacy, and brightening the school campus. The computer literacy program was carried out using laptops which attracted involvement from the young students of the school. The students learnt basics of painting and Microsoft word which they thoroughly enjoyed, the session ended with numerous drawings and immense creativity. After a rejuvenating session of computer literacy, it was time to continue painting, Eager volunteers expressed their painting skills and the school got its most wanted facelift.

AFTERNOON:

A nourishing meal helped liven the spirits, the session after lunch was all about cultivation of mushrooms, the elders of the village were in for an interaction with experts in the field of

mushroom cultivation. Villagers learnt how to earn a modest income by following this method.

25/01/13

DAY 4

FORENOON:

The agenda for the day was to clean the surroundings and the school at large, by forming groups to accomplish the work, and also finish the white-wash that was still pending. Meanwhile a team brainstormed ideas for a skit. It was a team performance which included the children of the school. Certain others kept the children engaged by conducting competitions.

AFTERNOON:

A rally based on Dengue awareness was conducted and a skit was also portrayed based on the theme. Interaction with villagers formed part of the session after the rally. The importance of drinking water and ground water conservation was relayed to the public.

26/01/13

DAY 5

Republic day function was held with a sense of patriotism infused with pomp and pride. The tricolour was hoisted at the school premises.

A lovely feeling of being part of a democratic, country was eminent in the gathering. Flag hoisting was followed by distribution of sweets to share the love and joy to others as well. The whole village seemed to come alive with colours of saffron, green and white. To further add onto the celebrations, competitions were held for youngsters of the community who came with a determination of going back home as a winner, being part of the 66th republic day celebrations. A group of volunteers silently carried on with their work of painting to wrap up the day with a bright image.

The village came alive with colourful rangolis being part of the competition.

Gifts were distributed to the winners of various events. The village had its much awaited burst of happy feelings all around.

27/01/13

DAY 6

FORENOON:

The prime objective to make the village spic and span was pursued to attain lasting benefits for the villagers. With the feeling of pride in working for the community, volunteers set out cleaning the roads and heaps of garbage strewn around.

AFTERNOON:

Interaction with villagers formed the next part of the agenda, teams were sent out to interact with the villagers and encourage them to attend the free eye camp that was to be held the following day. As the day came to a close the teams were satisfied looking back on their service to the community with a day more to go.

28/01/13

DAY 7

FORENOON:

As the last day dawned on the camp, a feeling of sadness swept through the volunteer pack, since after serving, being a part of the village it was time to part.

The days events slowly unfolded, as the teams pepped up to the final cleaning round, followed by performing a dance sequence to entertain the villagers.

AFTERNOON:

Prizes were distributed to Prize winners for the competitions that were held for the entire week. Being the last day, it was decided to sponsor items requested by the head mistress of the school and depart with joy and a sense of satisfaction.

Items such as dustbins, mats and stationery were sponsored for betterment of the school and the children at large.

CAMPSITE: MUTTATHUVAYAL

22/01/2013

DAY 1

FORENOON:

On day 1 the whole village was surveyed. Information about the demographics of the region such as sex ratio, educational status of the village was collected. Then information about common health problems, common problems, facilities in the village- required and present was collected.

AFTERNOON:

The volunteers surveyed various places in and around the village to find a niche region where the NSS activities could be carried out in a feasible manner. The Muttathuvayal Higher Secondary Government School was selected on the basis of the survey. On the first day itself the school premises was cleaned

23/01/2013

DAY 2

FORENOON:

This day was filled with energy as the volunteers were excited about the day at Muttathuvayal and equally about the NSS Campsite. The NSS volunteers were divided into different batches. They were sent to pick up and carry stones, level the ground, tended to plants, shifted the firewood to a safe place, cleaned the terraces, shovelling and pushing down the leftover construction material. After a sumptuous meal and rest the teams were for sometime left to interact with the students.

AFTERNOON:

The camp was visited by Mrs. Maya Mahajan, Head of DECE, Karunya University and Mr. Mahesh Prabhu, Head of NSS, Karunya University, both of them appreciated the volunteers on the good work so far. Later they met the authorities at school and discussed on potential facilities that could be installed in the school. Later in the evening the volunteers were made to dig pits for sapling plantation.

24/01/2013

DAY 3

FORENOON:

On this day volunteers were made to clean the exterior region of the school and continued to dig pits around the school for sapling plantation. The locals helped us during the plantation process giving concern to the process and suggesting places where the plantation can be done.

AFTERNOON:

After a good lunch the classrooms were cleaned. After that a sanitation drive was conducted. They also cleaned the premises.

25/01/2013

DAY 4

FORENOON:

The student coordinators and the volunteers sat down surveyed the school for other possible works. It was decided to paint the blackboards and to make a pathway for waste water. A pathway was dug from the tank, wash basin and other water outlets and the pathway was made to run along a depression to a bunch of coconut trees.

AFTERNOON:

In the afternoon, they had a good lunch. After sometime, the pathway which was dug for the flow of water was tiled and it was tested. Then the blackboards of every class was cleaned well and painted black.

26/01/2013

DAY 5

Day 5 dawned with a sense of patriotism....today being January 26th. The Republic day was greeted with much enthusiasm. The school management and the NSS jointly conducted the event. Apart from the usual events that fashion all republic days the NSS team conducted dance competition and singing competition. The students of the school actively participated in all the events.

27/01/2013

DAY 6

Today the students of the school were given basic computer knowledge by the NSS team. The students were briefed upon the basics of word and paint. Then later the volunteers interacted with the students of the hostel which is present in the school. The volunteers were thus sensitized on the issues in the hostel student's life.

28/01/2013

DAY 7

The final day of the NSS special camp was as active as the first day. On this day essay and drawing competitions and prizes were given to the winners. Later in the day Mr. Prabhu Rubesh ,Program Officer talked to the students of 10th standard about the importance of choosing your career early in your life and working hard to achieve it. 10th Standard Students were encouraged by presenting them with geometry box and stationary articles. A quiz was conducted for the students of the primary sections.

CAMPSITE: PERUMAL KOVILPATHY

22-1-13

DAY 1

FORENOON:

The special camp at Perumalkovilpathy was flagged off with an inaugural function presided by the village Panchayat head. He was glad to accept us and promised to offer the best possible cooperation. After which teams embarked on an exploration of the village to survey, study the demographics of that place and ascertain the needs of the people. Main causes of concern were to create a social awareness on sanitation and importance of living in harmony with the community.

AFTERNOON:

On completion of the survey, a discussion was held among the teams concerning the task at hand. A strategy was set up to tackle the issues. Since this required proper planning and execution a map was sketched depicting the village, sketching was done based on the survey carried out by the respective teams.

A temporary schedule was made with respect to the issues that had to be addressed in the following days.

23-1-13
FORENOON:

DAY 2

The objective for the day was to promote cleanliness, eradication of plastics, and to reach out empowering women in the society.

Based on this, a cleaning drive was initiated to sanitise the surrounding and removal of plastics from harming the lovely greenery around. Villagers were advised not to burn plastics. The teams were on their toes creating an awareness of the dangers of plastic and importance of a clean neighbourhood.

AFTERNOON:

The morning session proved fruitful, it was decided to make haste of the situation and a rally was organised to spread the word around on empowering women. The rally was flagged off by HOD DECE Mrs Maya Mahajan. By enthusiastically shouting slogans they captured the hearts of the people and were able to send a strong message through the rally. A street play based on the topic was organised which enlightened many minds.

24-1-13

DAY 3

The objective of the third day was to educate school children through computer literacy, and to freshen the school by cleaning and white-washing the campus, followed by teaching the villagers to cultivate mushroom in their backyards and earn a sizeable income.

FORENOON:

As planned, the first session involved igniting the young minds through computer literacy, and brightening the school. The computer literacy program was carried out using laptops which attracted involvement from the young students of the school. The students learnt basics of painting and Microsoft word which they thoroughly enjoyed, the session ended with numerous drawings and immense creativity.

After a rejuvenating session of computer literacy, it was time to continue painting, Eager volunteers expressed their painting skills and the school got its most wanted facelift.

AFTERNOON:

A nourishing meal helped liven the spirits, the session after lunch was all about cultivation of mushrooms, the elders of the village were in for an interaction with experts in the field of mushroom cultivation. Villagers learnt how to earn a modest income by following this method.

25-1-13

DAY 4

FORENOON:

The agenda for the day was to clean the surroundings and the school at large, by forming groups to accomplish the work, and also finish the white-wash that was still pending. Meanwhile a team brainstormed ideas for a skit. It was a team performance which included the children of the school. Certain others kept the children engaged by conducting competitions.

Afternoon:

A rally based on Dengue awareness was conducted and a skit was also portrayed based on the theme. Interaction with villagers formed part of the session after the rally. The importance of drinking water and ground water conservation was relayed to the public.

26-1-13

DAY 5

Republic day function was held with a sense of patriotism infused with pomp and pride. The tricolour was hoisted at the school premises.

A lovely feeling of being part of a democratic, country was eminent in the gathering. Flag hoisting was followed by distribution of sweets to share the love and joy to others as well. The whole village seemed to come alive with colours of saffron, green and white. To further add onto the celebrations, competitions were held for youngsters of the community who came with a determination of going back home as a winner, being part of the 66th republic day celebrations. In spite of the celebrations attracting the most crowds, a group of volunteers silently carried on with their work of painting to wrap up the day with a bright image. The village came alive with colourful rangolis being part of the competition. Gifts were distributed to the winners of various events. All in the entire village had its much awaited burst of happy feelings all around.

27-1-13

DAY 6

FORENOON:

The prime objective to make the village spic and span was pursued to attain lasting benefits for the villagers. With the feeling of pride in working for the community, volunteers set out cleaning the roads and heaps of garbage strewn around.

AFTERNOON:

Interaction with villagers formed the next part of the agenda, teams were sent out to interact with the villagers and encourage them to attend the free eye camp that was to be held the following day. As the day came to a close the teams were satisfied looking back at their service to the community with a day more to go.

28-1-13

DAY 7

FORENOON:

As the last day dawned on the camp, a feeling of sadness swept through the volunteer pack, since after serving, being a part of the village it was time to part. The days events slowly unfolded, as the teams pepped up to the final cleaning round, followed by performing a dance sequence to entertain the villagers.

AFTERNOON:

Prizes were distributed to Prize winners for the competitions that were held for the entire week. Being the last day, it was decided to sponsor items requested by the head mistress of the school and depart with joy and a sense of satisfaction.

Items such as dustbins, mats and stationary were sponsored for betterment of the school and the children at large.
The departing from the village brought many a tears.

CAMPSITE: KALIMANGALAM

22-1-13

DAY 1

FORENOON:

The camp began after a word of prayer followed by an inauguration ceremony. Planning was done after interacting with the locals and the first activity was carried out. A survey was taken all around the village by means of which we were able to comprehend the living conditions of the people. The students went around the place and took the survey and enjoyed the experience of interacting with the village people.

AFTERNOON:

After lunch the area surrounding the school was inspected and it was found that many thorny bushes and weeds were growing all over the place. Immediately the team divided into groups and started clearing the place in spite of the hot sun. Field work was continued till the end of the day.

23-01-13

DAY 2

FORENOON:

After arriving at the campsite, planning was done on what activities were to be conducted. It was observed that there was no proper pathway for water from the tank to flow out of the school. A group of students set to work and they started digging a pathway for the water to flow out. After refreshment the same work was continued and another group of students collected the plastic wastes lying around the school.

AFTERNOON:

After lunch, field work behind the school was started. The students worked tirelessly and cleared most of the thorny bushes and weeds. They were collected and dumped together. After which they were burnt, after separating the inorganic wastes that was lying around.

24-01-13

DAY 3

FORENOON:

We arrived at the camp site and our primary goal was to white-wash the school building and toilets. After mixing the paint, the students were divided into groups and they began white-washing the building. They found it exciting and enjoyed the work. After refreshment a group of students went for a rally inside the village to create an awareness of plastic eradication. By the end of the morning session the front part of the building was painted.

AFTERNOON:

After lunch, the rest of the painting work was started. We also planned to paint the gate so a group started scrubbing it with emery paper, after doing so we started painting the gate. Meanwhile the building was painted and another group started painting the toilets. Few students cleared the area in the front portion of the school. Holes were dug in many places

around the school for planting trees. By the end of the day most of the painting work was completed.

25-01-13

DAY 4

FORENOON:

The headmistress requested the team to fix the fencing at the back portion of the school as it was in a very poor condition. In fact when inspected, the area had no barbed wire for a part of the ground. The material and tools required was brought to the campsite and the team decided to complete fencing the area although it was a tremendously difficult task.

First the team removed all the stones which were not erect. A group of students collected sand from an area that was uneven and dumped it in a separate place. All the stones were made to stand erect with a lot of difficulty. Refreshment was supplied and by the end of the morning session most of the stones were placed.

AFTERNOON:

After lunch the team set to work. Measurements were between each of the stones and the barbed wire was cut accordingly. Fencing work was started and students wasted no time as they knew that it wasn't an easy task. As this work was going on vigorously, a group of students completed painting the gate. Fencing work was continued till the end of the day.

26-01-13

DAY 5

FORENOON:

The fencing work was time consuming and it required a lot of patience. The team was determined to complete the work within the last day. All that was needed for the job was done by the students and the main lining was given for the portion to be fenced. Two groups worked on it and hence the job was speeded up. Refreshment was served and the work continued till the end of the session.

AFTERNOON:

The students of the school were informed that competitions would be held for them. While the fencing work was going on, a group of students conducted various competitions which included singing, dancing, musical chair, drawing and chips eating. The team had a wholesome and wonderful time with the tiny tots and the happiness it gave is ineffable. The left over paint was used up by white-washing the fencing stones at the front portion of the school.

27-01-13

DAY 6

FORENOON:

Fencing work was started immediately because of the shortage of time. In a particular portion there was a path through which anybody could enter, it was completely filled and the level of ground was raised in between a stone was placed and the main lines were laid. After refreshment a group went into the village and distributed handouts for an eye camp that was to be held in Mathvarayapuram on 28/01/2013.

AFERNOON:

After lunch the team started working laying the cross lines for the fence as most of the main lines were laid. A part of the team went inside the village for a rally on Dengue and its effects and also interacted with the people.

28-01-13

DAY 7

FORENOON:

Being the final day of camp and with a small portion of the fence was left unfinished. The team set to work determined to finish the job. A part of the team leveled a portion of the ground. No time was wasted and the work was continued till the end of the session.

AFTERNOON:

The activities planned after lunch was tree plantation and prize distribution. The team requested the teacher to allow the students of 1st grade to plant the saplings so that each of them would water the ones they planted. She obliged and the saplings were planted around the school. The team gathered all the students for prize distribution and had a cultural program for them. Prizes were distributed and the materials requested for the school was handed over to the headmistress. By the end of the day fencing was completed. The team had a wonderful time with the kids and left the school with satisfaction and joy.

CAMPSITE: VALAYANKUTTAI

22-1-13

DAY 1

FORNOON:

The camp began after a word of prayer followed by an inauguration ceremony presided by the school headmistress and staff.

Planning was done after interacting with the locals and the first activity was carried out. A survey was taken all around the village by means of which we were able to comprehend the living conditions of the people. The students went around the place and took the survey and enjoyed the experience of interacting with the village people.

AFTERNOON:

After lunch the area surrounding the village was inspected and it was found that many shrubs and weeds were growing all over the place. Immediately the team divided into groups and started clearing the place. Field work was continued till the end of the day.

23/01/13

DAY 2

FORENOON:

After arriving at the campsite, planning was done on what activities were to be conducted. The volunteers were divided into 4 groups such that each group was assigned to a student co-coordinator. All these groups were assigned the job of cleaning the sewage area. The area was well swept by the volunteers. The unwanted grasses covering the ground were removed and the wastes and garbage's collected while cleaning are put together so as it would be easy for removal.

AFTERNOON:

After lunch, field work was started. The students worked tirelessly and cleared most of the shrubs and weeds. They were collected and dumped together and burnt, after separating the inorganic wastes.

24-01-13

DAY 3

FORENOON:

We arrived at the camp site and our primary goal was to white-wash the building. After mixing the paint, the students were divided into groups and they began white-washing the building. They found it exciting and enjoyed the work. After refreshment a group of students

went for a rally inside the village to create an awareness of dengue. By the end of the morning session a part of the building was painted.

AFTERNOON:

After lunch, the rest of the painting work was started. Meanwhile after cleaning the sewage area, the team took soil from nearby areas and tried to recover the swampy road. The ground was levelled up by filling the shallow areas with sand.

25-01-13

DAY 4:

FORENOON:

A group of volunteers went into the village by dividing themselves into 8 teams to canvas the villagers. They actively involved in illustrating the villagers of our Special camp schedule and thereby describing the various activities of this special camp. The villagers and school children were involved actively in the interaction.

AFTERNOON:

After lunch the team set to work. It was a pleasant day and the team started working inside the school. Computer Literacy camp was conducted for the school children. Volunteers brought laptops to the school with an aim to improve the computer knowledge of school students. The team was divided into batches and started teaching the students.

26-01-13

DAY 5

FORENOON:

Republic day celebrations were started off flag hoisting and sweet distribution. Several games were conducted for the school children. Refreshment was served and the work continued till the end of the session.

AFTERNOON :

After lunch the students of the school were informed that competitions would be held for them the next day. A rally was conducted on the ill effects of burning plastic. The team had a wholesome and wonderful time.

27-01-13

DAY 6

FORENOON:

The remaining field work was completed by the team. After refreshment a group went into the village and distributed handouts for an eye camp that was to be held in Mathvarayapuram on 28/01/2013.

AFTERNOON:

After lunch the team started conducting various competitions such as drawing, singing, dancing etc. The kids had a wonderful time and they were really enthusiastic. The volunteers were happy as the kids interacted with them.

28-01-13

DAY 7

FORENOON:

Being the final day of camp the team wanted to do something productive for the villagers so they went around the village and taught them how to sign their names because most of the people were illiterate. Refreshment was given and the work was continued till the end of the session.

AFTERNOON:

The activities planned after lunch was tree plantation and prize distribution. The team gathered all the students for prize distribution and had a cultural program for them. Prizes were distributed and the materials requested for the school was handed over to the headmistress. The team had a wonderful time with the children and left the site with satisfaction and warmth.

23rd Feb non –academic Saturday

SEC O
AIDS HOME VISIT

“We cannot do great things on this earth, only small things with great love.”
On 2nd March students of the NSS UNIT OF KARUNYA UNIVERSITY went for Orphanage Visit in Podhanur with 19 boys and 13 girls accompanied with a staff coordinator. The NSS team from reached there at 11:30am, and were welcomed by the head of the home and NSS members met the children and adults. NSS members interacted with those children.

The children were divided into several groups with members of the NSS team taught them action songs.

The children actively participated in the events.

The team also conducted various games for the children, they took part in each and every activity enthusiastically.

It was really heart touching to hear each and everyone's story. Their stories moved our hearts and filled our eyes with tear. But in spite of all of their sorrows they enjoyed a lot with us. They liked our presence over there and were very happy to spend their time. The team was overwhelmed and had nice experience.

ATTUKAL-ORPHANAGE

Karunya NSS crew with 26 members and NSS program coordinator Mr. Iwin and Mr. Karunakaran went for an Orphanage visit to ATTUKAL on 02.03.2013, Saturday.

As the crew entered there, they interacted with the children to spread their happiness.

An awareness program was organised for the children about cleanliness and deforestation by showcasing some videos.

The team organized many enthusiastic games to entertain the children in the orphanage..

Section t, u, v, w and x

1) MORNING SESSION:

A seminar was conducted on how to create paper from waste newspapers followed by a lecture session and a practical session by resource personnel.

2) AFTERNOON SESSION:

After lunch various activities such as drawing, pot painting, soap craving and poster painting were conducted.
